Sustaining the Future of the Florence Melton Adult Mini-School

Mission: The Florence Melton Adult Mini-School International Alumni Association is committed to sustaining the Mini-School. We do this by ensuring long-term support of the Melton Institute in Israel and the FMAMS Corporation in North America, supporting local site growth and development, investing in the Alumni Network, and enhancing the relationship between the Mini-School and the Hebrew University of Jerusalem, and between Israel and the Diaspora.

The IAA offers FMAMS graduates the following benefits:

- Invitation to the annual kallah-study seminar April 20-22, 2012 in Chicago, IL
- Israel updates with Dr. Yonatan Mirvis
- A quarterly alumni newsletter introduced in March 2011
- Priority registration for Israel seminars, including the new Spain/Israel seminar
- Website recognition
